AmeriCorps

Seniors Serving Seniors Model

- Encore Members 55 years+
- Looking for opportunities pre and post retirement
- Desire to meet others and remain engaged in community
- Monthly Living Stipend
- Education Benefit

Encore Members

- Older adults are looking for meaningful ways to give back to their communities.
- Many Members that we have recruited are retired professionals from a variety of fields (social work, nursing) that add value for the clients being served.
- Older adults like being served by someone from their same age cohort

Caring Circles

- Created in 2017
- Serve over 1,000 clients per year
- Currently 15 AmeriCorps Members provide social support to older adults
- This year members are also focusing on technology
- Members recruit, train, and engage individuals and groups to volunteer

Impact

as a result of participation in Caring Circles

- My attitude toward life has improved as a
 - 64% agreed or strongly agreed
- My feelings of overall personal happiness have improved
 - 62% agreed or strongly agreed
